To The Dean
Adam University, Kyrgyzstan

Dear Sir,

As per your query regarding Registration of Nepalese Doctors graduating from your University, Nepal Medical Council has following criteria for registration.

1. MBBS course must be of minimum 5.5 years duration.(4.5 years of theory plus one year of internship)
2. Candidates willing to study aboard must get eligibility letter from Nepal Medical Council fulfilling minimum criteria.
3. After graduating from University candidate must fulfill registration criteria set by Nepal medical council to get registered with us.

Note: Attached here MBBS accreditation standard 2017 of Nepal Medical Council.

.....
Dr. Dilip Shrama
(Registrar)
